\*Listing of All Civilian Positions Under Study (EPS Posting 10 01, Oct 9, 2002) incorrectly reflects authorization against the 81<sup>st</sup> Support Group Commander (CC) when authorization actually appears on UMD (i.e., Position Number 02991260J) for 81<sup>st</sup> Communications Squadron/Plans and Support Flight (SCP). Position is, however, assigned to the 81<sup>st</sup> Support Group Commander (CC).
